

9.13 OVERSEAS POST – SERVICE INFORMATION BY DESTINATION

Detailed service information is shown by destination in the Appendix. Information on postage rates is shown separately in the Postage Rates and Services Leaflet, available free of charge at any post office.

FREQUENCY OF SERVICE

Frequent air and surface despatches are made to most parts of the world and the latest times of posting for airmail items can be found in the Postage Rates and Services Leaflet. As for the latest times of posting for Speedpost, they are published in the Hongkong Post Speedpost Service Guide.

PROHIBITIONS AND RESTRICTIONS

The prohibitions and restrictions shown under individual destinations are those imposed by the destination concerned. Additional overriding general prohibitions and restrictions are set out under PROHIBITIONS in Section 6.
